Author(s) responsibilities

The Author(s) hereby assure the following ownership and originality of the submitted Paper:

- a) The Paper is original and has not been or will not be published by other journals, proceedings, magazines or media in whole.
- b) The Paper is original and not a plagiarism of someone’s research.
- c) The Paper is not an infringement of someone’s copyright.
- d) The Author(s) have full responsibility on the references described in the Paper.

Author(s) rights

The Author(s) retain the following rights:

- a) All proprietary rights other than copyrights,
- b) Re-use of the Paper in whole or part in their work,
- c) Reproduction of the Paper for the Author(s) personal use or company/institution use provided that
 - 1. the permission of the IPA is obtained prior to reproduction,
 - 2. the source and IPA copyright notice are indicated in the reproduced material.

Other conditions

The Author(s) acknowledge the following conditions:

- a) IPA retains right to utilize the Paper on related information carrier (i.e. the IPA website, search sites, publications and so forth).
- b) IPA and the Author(s) shall amicably discuss when circumstances not comply with the contents of this Form arise.
